

## **New Chairman Appointed for Renaissance Corporation Limited**

Renaissance Corporation is pleased to announce that Mr Colin Giffney has been appointed Chairman of the Company. Mr Giffney joined the Board in February 2006 and brings with him significant experience in investment banking and corporate advisory services. He has been a member of the New Zealand Stock Exchange for nearly 30 years and was managing director of the share broking firm Jordan Sandman Were, now Goldman Sachs JBWere, for 10 years. His other public involvements are as a member of the Takeovers Panel and as a board member of Solution Dynamics.

Mr Giffney replaces Richard Ebbett who, after 10 years as Chairman, will become an independent Director as a result of Acma Limited, a company with which he is associated, ceasing to be a shareholder in Renaissance.
